The Coolidge—a Scholarship for America	<p>Any high school junior who plans to enroll in college in the fall of 2025 and is an American citizen or legal permanent resident is eligible to apply (current high school seniors are not eligible to apply). Coolidge Scholars are selected based primarily on academic excellence. Secondary criteria include: an interest in public policy, an appreciation for the values President Coolidge championed, as well as humility and service. Today’s competitive academic culture regrettably sometimes drives students to hype their accomplishments and pursue ambitious efforts merely to attain credentials. The Coolidge Scholarship pushes back on this trend. Successful candidates are indeed accomplished, but exhibit humility with respect to their achievements and pursue things of genuine interest to them regardless of the perceived prestige associated with the activity. A complete description of the scholarship’s criteria is available</p>	<p>The Coolidge Scholarship is America’s “unconditional” merit scholarship, granted regardless of geographic location, race, family background, family income, area of study or university to be attended. Coolidge Scholars are named prior to university application and can take their award to any accredited U.S. college or university where they gain admittance.</p>	<p>https://coolidgescholar.org/</p>	<p>It covers a student’s full tuition, room and board, and required fees for four years of undergraduate study. The Coolidge Scholarship also provides an annual stipend for books and supplies.</p>	<p>Thursday January 18, 2024 5 PM Pacific Standard Time</p>
